Proceedings of Certificate Distribution Ceremony

Fakhr-e-Imdad Foundation organized certificate distribution ceremony in Tando Ghulam Ali, for the 2nd batch of 70 students (boys and girls), who have completed 6-month duration computer courses at Fakhr-e-Imdad Foundation computer Lab Tando Ghulam Ali. Mr. Ghulam Ali Talpur was the chief guest of the occasion. The event was presided over by Mr. Rafique Ahmed Jaffri, Chief Executive Officer, Fakhr-e-Imdad Foundation. The ceremony was also attended by Mr. Haji Siddique chairman of the town committee and a large number of community members including women, social activists, media representatives, and notables of the town.

The event started with recitation from Holy Quran. Ms. Fehmida Parhiyar, the Instructor, after presenting welcome note briefed the participants about the Fakhr-e-Imdad Foundation's vision, mission, and objectives for social and humanitarian development services.

Mir Ghulam Ali Talpur, the notable of the area congratulated 70 students (Boys and Girls) of Tando Ghulam Ali town and vicinity villages who have passed 6-month duration I.T Course. He also acknowledged Fakhr-e-Imdad Foundation's initiatives for community development and ensured his all-out support in future interventions in the area. The speakers also highlighted the role of CDP, Govt of Sindh for supporting the rural areas through its development initiatives.

Mr. Rafique Ahmed Jaffri, the Chief Executive Officer, Fakhr-e-Imdad Foundation, congratulated the passing out students and said Fakhr-e-Imdad Foundation believes in providing education and skill development

opportunities to communities in underserved areas. He said partnership with Community Development Program (CDP) Government of Sindh is getting strengthened with expansion of activities in district Mirpurkhas and Badin. In the end, course completion certificates were distributed among passing out trainees.
