K Eisani, and to the principal for their dedicated work in school management Committee. Mr. Shaikh Muhammad Anees was rewarded with lifetime achievement shield.

Mr. Rafique Ahmed Jaffri, CEO, presented on organizational activities and achievements. He highlighted the overall activities at school and the holding of eye camp at Digri. The school principal Prof. A.F. Mughal Presented on academic activities and an overview of school achievements. Miss Afshan Bano Naqvi contributed in the presentation by highlighted the achievements of vocational training to students of Class Vi and VII. She also shared the vision of commencing vocational classes for women of the area and facilitating them in developing market linkages.

Mr. Shunaid Qureshi, Secretary of Fakhr-e-Imdad Foundation, in his speech specially focused on school achievements. - He said Fakhr-e-Imdad foundation has completed its seven years of service to mankind. He felt proud that organization has not only provided quality education to the community living away from urban facilities but has also started efforts for health facilities and the example of these services is the free eye camp at Digri.

Ms Sultana Siddiqui, Director of the foundation, briefly underlined the background that led to the establishment of Fakhr-e-Imdad Foundation. She emphasized at the two basic objectives i.e. providing quality education to children of remote areas and; providing basic health facilities to the people of those area. She showed her gratitude at achieving the first benchmark by establishing a school and showed satisfaction over the current activities.

Inauguration of Foundation Souvenir

DCO Mirpurkhas, Syed Mumtaz Ali Shah in his chief guest speech acknowledged the efforts of Foundation Management and school faculty in imparting quality education to students of this very rural area. He hoped that the institution would not only help to bridge the gap between public sectors contribution and the requirements of development of social sector at the grass root level but also prove itself as a mentor and boasting factor for other organizations. He appreciated the foundation team for their commitment and dedication towards achieving the success of their social sector projects. He reiterated District Governments support in this holy cause.

Mr. Mazharul-Haq Siddiqui, in his presidential address re-outlined the core objectives of access to "quality education and improved health" that the foundation aims at since its very inception. He proudly showed his satisfaction on program success and cordially congratulated the foundation's team, the philanthropist and stakeholders who made it possible. He, however, pointed at the alarming need of outreaching the program activities, which can only be possible through strong commitment and continuity of dedicated work. He called up philanthropist to come up to strengthen the cause. He informed the gathering that donations are in to upgrade school building and the work would soon be underway. He hoped that with upgraded construction there will be more children benefiting form quality education. Mr. Mazharul-Haq specially referred Mr. Munwar Mandharwala for extending 20-acres of land for school and health projects.

Conclusion:

Mr. Rafique Ahmed Jaffri, CEO of the foundation, conveyed his thanks to all participating guests for their valuable presence on the annual day celebrations and providing instant feedback on school and organizational activities.
